

# FBN Nordic Conference 2019

## *Entrepreneurial Nordic families for the future*

We have the pleasure of inviting you to FBN Nordic Conference 2019.

How are family businesses engaging in solving the biggest future challenges such as poverty, climate changes, health problems and diseases?

And how does families make the shift towards a more diversified owner and operational structure?

Together with other family business owners from the Nordics we will share, learn and challenge ourselves. This time in beautiful Copenhagen.
